

The Swedish Bible Study Method¹

What Bible passage are you going to study? _____

1. Begin with prayer. One person reads the passage out loud.

2. Read the passage on your own and look for three kinds of things. Write down one to three in each category.

Anything that shines out in the passage and draws attention. It may be very important or strike you somehow.

Anything that is hard to understand; something that the reader would like to be able to ask the author.

Anything that applies personally to the reader's life.

3. End with prayer.
