OUR BELIEFS

1. We believe the 66-book Bible is verbally inspired and inerrant in the original writings. We believe that the Bible must be interpreted literally, according to context, history, and grammar. We believe the dispensational approach to the Bible.
2. We believe there is one only living and true God, eternally existing in three persons – Father, Son, and Holy Spirit.
3. We believe that man was created in the image of God, but he sinned, and thereby all human beings are born with a sin nature which is at enmity with God. Man therefore needs to be reconciled to God, released from slavery to sin, and delivered from God's wrath against sin and the guilt of sin.
4. We believe in Christ's virgin birth, physical bodily resurrection, ascension, and present intercession for us.
5. We believe that Jesus Christ died in our place at Calvary and that His sacrifice is the only ground for forgiveness of sin.
6. We believe that salvation is by grace through faith in Jesus Christ, and that all who so believe are eternally saved, transformed, and being sanctified.
7. We believe in the imminent, pretribulational rapture of the church. We believe in the personal, premillennial return of the Lord Jesus to the earth to set up His Kingdom.

DEVOTIONAL READING - No Substitute for the Cross by Dr. Paul Chappell

“And He opened their understanding, that they might comprehend the Scriptures. Then He said to them, “Thus it is written, and thus it was necessary for the Christ to suffer and to rise from the dead the third day, and that repentance and remission of sins should be preached in His name to all nations, beginning at Jerusalem.” Luke 24:45-47

There are many times when we can substitute one thing for the original without much changing the result. For example, if you are baking something and are short one egg, you may be able to use a little applesauce and baking powder and the results will be about the same. If you break a taillight, you can cover the hole with red tape and the light will still shine through when you step on the brakes.

But there are other areas in which no substitute will work. When it comes to the matter of our redemption, the death, burial, and resurrection of Jesus Christ are absolutely essential. This is the very foundation of our faith. Paul wrote, “For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures; And that he was buried, and that he rose again the third day according to the scriptures” (1 Corinthians 15:3-4). The reason Paul started his preaching with this truth is that it is the core of all doctrine.

There were no alternatives to provide a way for our sins to be atoned and for us to be reconciled to God. No angel could die in the place of man. No man could live according to God's law.

No one can pay the debt for another because we each owe our own debt. The only hope of salvation was the substitutionary death of the sinless Son of God. If there had been another way, surely God would have chosen it. But there was not, and so Jesus died in our place. The cross is the true measure of God's love for us, and it should fill our hearts with gratitude and joy for our salvation. The thing we need the most—salvation—is only possible through the sacrifice of Jesus Christ.

MORE FOOD FOR THOUGHT. “So completely was Jesus bent upon saving sinners by the sacrifice of Himself that He created the tree upon which He was to die; and nurtured from infancy, the wicked men who were to nail Him to the accursed wood!” - Octavius Winslow, 1808-1878

“[The apostles] did not go about the world telling men of love and mercy and pardon in the abstract. The leading subject of all their sermons, was the loving heart of the actual living Christ!” – J. C. Ryle (1816-1900)
