OUR BELIEFS

1. We believe the 66-book Bible is verbally inspired and inerrant in the original writings. We believe that the Bible must be interpreted literally, according to context, history, and grammar. We believe the dispensational approach to the Bible.
2. We believe there is one only living and true God, eternally existing in three persons – Father, Son, and Holy Spirit.
3. We believe that man was created in the image of God, but he sinned, and thereby all human beings are born with a sin nature which is at enmity with God. Man therefore needs to be reconciled to God, released from slavery to sin, and delivered from God's wrath against sin and the guilt of sin.
4. We believe in Christ's virgin birth, physical bodily resurrection, ascension, and present intercession for us.
5. We believe that Jesus Christ died in our place at Calvary and that His sacrifice is the only ground for forgiveness of sin.
6. We believe that salvation is by grace through faith in Jesus Christ, and that all who so believe are eternally saved, transformed, and being sanctified.
7. We believe in the imminent, pretribulational rapture of the church. We believe in the personal, premillennial return of the Lord Jesus to the earth to set up His Kingdom.

DEVOTIONAL READING - Truth in Packaging

Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter! Woe unto them that are wise in their own eyes, and prudent in their own sight! Woe unto them that are mighty to drink wine, and men of strength to mingle strong drink: Which justify the wicked for reward, and take away the righteousness of the righteous from him! - Isaiah 5:20-23

In 1966, in an effort to protect consumers from deceptive advertising and promotion, Congress passed the Fair and Labeling Act. According to the Federal Trade Commission, the law requires them “to issue regulations requiring that all 'consumer commodities' be labeled to disclose net contents, identity of commodity, and name and place of business of the product's manufacturer, packer, or distributor. The Act authorizes additional regulations where necessary to prevent consumer deception (or to facilitate value comparisons) with respect to descriptions of ingredients, slack fill of packages, use of 'cents-off' or lower price labeling, or characterization of package sizes.”

There is no human law requiring truthful and honest descriptions of good and evil, but there is a Divine one. God insists that we call things by their proper name. He judges those who proclaim that wicked things are acceptable, and those who condemn good things as being evil. While absolute truth is under attack in our world today by many, it is still a Divine requirement. God has not changed His standards or His laws. They are still in full effect no matter what those around us may do or say.

Correct labeling is vital for our spiritual wellbeing. We are constantly tempted to water down the morals God has set—to call things by names that make them sound much less serious. But calling a poison a health tonic won't keep it from killing the person who takes it. Changing the name of a sin and calling it okay does not change the true nature of evil. God's definitions of good and evil do not change. Rather than changing our definitions to please the culture, we should be truthful to the moral standards God has set.
