### OUR BELIEFS

1. We believe the 66-book Bible is verbally inspired and inerrant in the original writings. We believe that the Bible must be interpreted literally, according to context, history, and grammar. We believe the dispensational approach to the Bible.
2. We believe there is one only living and true God, eternally existing in three persons – Father, Son, and Holy Spirit.
3. We believe that man was created in the image of God, but he sinned, and thereby all human beings are born with a sin nature which is at enmity with God. Man therefore needs to be reconciled to God, released from slavery to sin, and delivered from God's wrath against sin and the guilt of sin.
4. We believe in Christ's virgin birth, physical bodily resurrection, ascension, and present intercession for us.
5. We believe that Jesus Christ died in our place at Calvary and that His sacrifice is the only ground for forgiveness of sin.
6. We believe that salvation is by grace through faith in Jesus Christ, and that all who so believe are eternally saved, transformed, and being sanctified.
7. We believe in the imminent, pretribulational rapture of the church. We believe in the personal, premillennial return of the Lord Jesus to the earth to set up His Kingdom.

**DEVOTIONAL READING - Can Any Good Thing Come Out of Yale?  
Psalm 119:97-112**

God's Word is both powerful and profitable (Heb. 4:12; 1 Tim. 3:16). William Lyon Phelps (1865-1943), Professor of English Literature, taught at Yale University for forty years. Wilbur Smith wrote, “I think it is not an exaggeration to say that Professor Phelps said more things about the Bible worth saying, and wrote more in an interesting way about the Word of God, and consistently bore a more definite testimony to his faith in Jesus Christ as the Son of God, and his belief in the Gospel, than any other professor in the United States since the beginning of the 20th century.”

At age 13 Phelps was greatly influenced by D. L. Moody when he preached in Hartford, Connecticut. Later he heard Moody speak at Yale. Phelps described the event: “When I was an undergraduate he preached one Sunday at Yale. Attendance was compulsory and the attention to the average twenty minute sermon was not very keen; Mr. Moody preached for one hour, and held the breathless attention of the students.”

Phelps wrote a most remarkable paragraph on the importance of knowing the Bible: “Everyone who has a thorough knowledge of the Bible may truly be called educated; and no other learning or culture, no matter how extensive or elegant, can, among Europeans and Americans, form a proper substitute. Western civilization is founded upon the Bible; our ideas, our wisdom, our philosophy, our literature, our art, our ideals, come more from the Bible than from all other books put together. It is a revelation of divinity and of humanity; it contains the loftiest religious aspiration along with a candid representation of all that is earthly,

sensual and devilish. I thoroughly believe in a university education for both men and women; but I believe a knowledge of the Bible without a college course is more valuable than a college course without the Bible.”
