OUR BELIEFS

1. We believe the 66-book Bible is verbally inspired and inerrant in the original writings. We believe that the Bible must be interpreted literally, according to context, history, and grammar. We believe the dispensational approach to the Bible.
2. We believe there is one only living and true God, eternally existing in three persons – Father, Son, and Holy Spirit.
3. We believe that man was created in the image of God, but he sinned, and thereby all human beings are born with a sin nature which is at enmity with God. Man therefore needs to be reconciled to God, released from slavery to sin, and delivered from God's wrath against sin and the guilt of sin.
4. We believe in Christ's virgin birth, physical bodily resurrection, ascension, and present intercession for us.
5. We believe that Jesus Christ died in our place at Calvary and that His sacrifice is the only ground for forgiveness of sin.
6. We believe that salvation is by grace through faith in Jesus Christ, and that all who so believe are eternally saved, transformed, and being sanctified.
7. We believe in the imminent, pretribulational rapture of the church. We believe in the personal, premillennial return of the Lord Jesus to the earth to set up His Kingdom.

DEVOTIONAL READING – Quotes on Prayer from Matthew Henry (1662 – 1714)

“Prayer time must be kept up as duly as meal-time.”

“Days of trouble must be days of prayer.”

You may as soon find a living man who does not breathe, as a living Christian who does not pray.”

“We read of preaching the Word out of season, but we do not read of praying out of season, for that is never out of season.”

“God's promises are to be our pleas in prayer.”

“The best we can say to God in prayer, is what He has said to us.”

We cannot expect too little from man—nor too much from God!

Those who love Christ, earnestly desire to have communion with Him by His Word, in which He speaks to us; and by prayer, in which we speak to Him.

In prayer, God's Word must be the guide of our desires—and the ground of our expectations. We must never promise ourselves any more than God has promised us.

Though we cannot by our prayers give God any information—yet we must by our prayers give him honor.

Unless we watch and pray always, we may be drawn in the course of the day into those sins which we were in the morning most resolved against.

Prayers of faith are filed in Heaven, and are not forgotten.

Mercies are doubly sweet that are given in answer to prayer.
