OUR BELIEFS

1. We believe the 66-book Bible is verbally inspired and inerrant in the original writings. We believe that the Bible must be interpreted literally, according to context, history, and grammar. We believe the dispensational approach to the Bible.
2. We believe there is one only living and true God, eternally existing in three persons – Father, Son, and Holy Spirit.
3. We believe that man was created in the image of God, but he sinned, and thereby all human beings are born with a sin nature which is at enmity with God. Man therefore needs to be reconciled to God, released from slavery to sin, and delivered from God's wrath against sin and the guilt of sin.
4. We believe in Christ's virgin birth, physical bodily resurrection, ascension, and present intercession for us.
5. We believe that Jesus Christ died in our place at Calvary and that His sacrifice is the only ground for forgiveness of sin.
6. We believe that salvation is by grace through faith in Jesus Christ, and that all who so believe are eternally saved, transformed, and being sanctified.
7. We believe in the imminent, pretribulational rapture of the church. We believe in the personal, premillennial return of the Lord Jesus to the earth to set up His Kingdom.

DEVOTIONAL READING - The Faith Inheritance (Isaiah 59:20-21)

Each person must make his or her own decision whether to trust Christ as Savior. None of us can make that decision for anyone else, but we can do our part to create an environment that will promote faith in Christ and faithful living in those who come after us. This is the testimony that God gave to Abraham: “For I know him, that he will command his children and his household after him, and they shall keep the way of the LORD, to do justice and judgment; that the LORD may bring upon Abraham that which he hath spoken of him” (Genesis 18:19).

Our homes and our churches should be that kind of place—a place that is not just interested and invested in the present, but in the future as well. We plant trees, not because they will primarily benefit us, but because future generations will sit in their shade. Similarly, we plant the truth in the hearts and minds of young people, not because we need a way to occupy our time, but because we desire for future generations to experience the blessings of living for God. There is no better way to change the future than to build truth in the hearts and minds of young people.

God's Word is crucial because it is the guide which tells us how to live. The precepts and principles of Scripture are our roadmap for the decisions of life. The promises God's Word contains, when claimed and believed and tested, will be signposts along the way for those who follow us. We must do everything possible to pass on our faith to the generations that will come after us.
