#### OUR BELIEFS

1. We believe the 66-book Bible is verbally inspired and inerrant in the original writings. We believe that the Bible must be interpreted literally, according to context, history, and grammar. We believe the dispensational approach to the Bible.
2. We believe there is one only living and true God, eternally existing in three persons – Father, Son, and Holy Spirit.
3. We believe that man was created in the image of God, but he sinned, and thereby all human beings are born with a sin nature which is at enmity with God. Man therefore needs to be reconciled to God, released from slavery to sin, and delivered from God's wrath against sin and the guilt of sin.
4. We believe in Christ's virgin birth, physical bodily resurrection, ascension, and present intercession for us.
5. We believe that Jesus Christ died in our place at Calvary and that His sacrifice is the only ground for forgiveness of sin.
6. We believe that salvation is by grace through faith in Jesus Christ, and that all who so believe are eternally saved, transformed, and being sanctified.
7. We believe in the imminent, pretribulational rapture of the church. We believe in the personal, premillennial return of the Lord Jesus to the earth to set up His Kingdom.

**DEVOTIONAL READING – The Importance of Mixing** by George Zeller  
Hebrews 3:12-4:2

Epoxy glue is a two-part system. It is made up of resin and hardener. If resin is not mixed with the hardener, the resin will not bond to anything. However, once it is mixed, it makes a very strong bond. If a baker is preparing to make bread and forgets to mix yeast into the dough, then the bread will not rise, and the loaf will be a flop. Making concrete is another example of the importance of mixing. Portland cement, water, sand and gravel must all be mixed together in their proper quantities. Failure to mix properly these four ingredients will not result in a strong and durable building material.

In the Christian life, mixing is essential: “For unto us was the gospel preached, as well as unto them: but the Word preached did not profit them, **not being mixed with faith** in them that heard it” (Heb. 4:2). God’s Word is precious and powerful and living (Heb. 4:12), yet we are told that God’s Word did not profit the Israelites. God gave His people good news! He promised them that they could enter a land flowing with milk and honey. There would be obstacles including fierce enemies, giants, and walled cities, yet God promised that with His help they would be able to conquer the land. These unbelieving Israelites refused to mix God’s promise and God’s Word with faith, and they perished in the wilderness.

The same is true today. God’s promises and God’s Word will not profit us and will do us no good unless we mix God’s Word with faith. We need to be united with men such as Joshua and Caleb who believed that their God was far greater than any obstacles they would face. Faith is the God-ordained way of appropriating that which God has provided for us! Don’t miss out! For more articles see, <https://middletownbiblechurch.org/inserts/index.htm>
