### OUR BELIEFS

1. We believe the 66-book Bible is verbally inspired and inerrant in the original writings. We believe that the Bible must be interpreted literally, according to context, history, and grammar. We believe the dispensational approach to the Bible.
2. We believe there is one living and true God, eternally existing in three persons – Father, Son, and Holy Spirit.
3. We believe that man was created in the image of God, but he sinned, and thereby all human beings are born with a sin nature which is at enmity with God. Man therefore needs to be reconciled to God, released from slavery to sin, and delivered from God's wrath against sin and the guilt of sin.
4. We believe in Christ's virgin birth, physical bodily resurrection, ascension, and present intercession for us.
5. We believe that Jesus Christ died in our place at Calvary and that His sacrifice is the only ground for forgiveness of sin.
6. We believe that salvation is by grace through faith in Jesus Christ, and that all who so believe are eternally saved, transformed, and being sanctified.
7. We believe in the imminent, pretribulational rapture of the church. We believe in the personal, premillennial return of the Lord Jesus to the earth to set up His Kingdom.

**DEVOTIONAL READING – Walking by Faith**

Therefore we are always confident, knowing that, whilst we are at home in the body, we are absent from the Lord: (For we walk by faith, not by sight:) We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord. Wherefore we labour, that, whether present or absent, we may be accepted of him. - 2 Corinthians 5:6-9

We hear much about the importance of faith in the Christian life, and there is a good reason for that: faith is central to every part of that life. It is essential. “But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him” (Hebrews 11:6). Even so, many people have a distorted view of faith. Faith is not thinking that nothing bad will ever happen. Faith is not believing that God will do anything and everything that we want. Faith is moving ahead in obedience to God even when we do not see exactly what He has in mind.

- Faith is Noah building an ark as God said even though it had never rained.
- Faith is Abraham leaving his home for a place in a foreign country he didn't know.
- Faith is Moses turning his back on the luxury of Egypt for the burden of leading the Israelites through the desert.
- Faith is Peter stepping out of a boat onto stormy seas to walk to Jesus.

Simply put, faith does what God says regardless of how possible or impossible it looks or whether we fully understand His plan. Faith is obedient action in accordance with God's Word, and that kind of faith is pleasing to God.

Faith that pleases God is not a theoretical, but a practical theology of daily living.
