### OUR BELIEFS

1. We believe the 66-book Bible is verbally inspired and inerrant in the original writings. We believe that the Bible must be interpreted literally, according to context, history, and grammar. We believe the dispensational approach to the Bible.
2. We believe there is one only living and true God, eternally existing in three persons – Father, Son, and Holy Spirit.
3. We believe that man was created in the image of God, but he sinned, and thereby all human beings are born with a sin nature which is at enmity with God. Man therefore needs to be reconciled to God, released from slavery to sin, and delivered from God's wrath against sin and the guilt of sin.
4. We believe in Christ's virgin birth, physical bodily resurrection, ascension, and present intercession for us.
5. We believe that Jesus Christ died in our place at Calvary and that His sacrifice is the only ground for forgiveness of sin.
6. We believe that salvation is by grace through faith in Jesus Christ, and that all who so believe are eternally saved, transformed, and being sanctified.
7. We believe in the imminent, pretribulational rapture of the church. We believe in the personal, premillennial return of the Lord Jesus to the earth to set up His Kingdom.

**DEVOTIONAL READINGS - Coram Deo: Before the Face of God**

Psalm 16:8, "I have set the LORD always before me. Because He is at my right hand, I will not be shaken."

There is a reality more constant than the air we breathe, more inescapable than our own thoughts: We live every moment Coram Deo—Latin for “before the face of God.” This is not poetic language. It is the unrelenting testimony of Scripture.

God is not distant, nor intermittently attentive. He does not observe in fragments. His gaze is perfect, immediate, and total. Before Him, there is no division between public and private life. The hidden life is the genuine life, because it is lived entirely in His sight.

To forget this, is the root of much sin. Sin grows in the illusion of secrecy. It persuades the heart that what is concealed is safe—that what is unseen is insignificant. But Coram Deo shatters that deception. Every motive, every desire, every unspoken thought, stands fully exposed before the thrice Holy One. Nothing is trivial in His presence. To the Christian, this truth is both comforting and transforming.

To live Coram Deo is to live with a holy awareness that shapes the inner life. It presses integrity into the soul. It demands that righteousness extend beyond outward behavior, into the unseen depths of the heart. It calls for a life that does not perform for human approval, but is ordered entirely before God.

This is the dividing line between superficial religion and true godliness. The hypocrite adjusts his behavior for the eyes of others. The genuine believer lives for the eye and approval of God.

Coram Deo rightly understood, will crush self-righteousness. It exposes that even our best moments fall short of the glory of God. No one can stand in God's presence on their own merit. Apart from Jesus, God is a consuming fire! Truly, God is the best friend, but the worst enemy!

For those who are in Jesus, Coram Deo changes how we live. A sense of God's presence will restrain us from evil, and urge us toward holiness. Since God is at our elbow, how dare we indulge sin? We do not pursue holiness to earn God's favor, but because we are accepted in our Beloved, Jesus. We do not hide from God's presence—we draw near to it. And yet, we dare not treat that nearness casually. To live Coram Deo is to live with reverence, sincerity, and holy devotion; consciously before His holy face, under His authority, and for His glory.
