OUR BELIEFS

1. We believe the 66-book Bible is verbally inspired and inerrant in the original writings. We believe that the Bible must be interpreted literally, according to context, history, and grammar. We believe the dispensational approach to the Bible.
2. We believe there is one only living and true God, eternally existing in three persons – Father, Son, and Holy Spirit.
3. We believe that man was created in the image of God, but he sinned, and thereby all human beings are born with a sin nature which is at enmity with God. Man therefore needs to be reconciled to God, released from slavery to sin, and delivered from God's wrath against sin and the guilt of sin.
4. We believe in Christ's virgin birth, physical bodily resurrection, ascension, and present intercession for us.
5. We believe that Jesus Christ died in our place at Calvary and that His sacrifice is the only ground for forgiveness of sin.
6. We believe that salvation is by grace through faith in Jesus Christ, and that all who so believe are eternally saved, transformed, and being sanctified.
7. We believe in the imminent, pretribulational rapture of the church. We believe in the personal, premillennial return of the Lord Jesus to the earth to set up His Kingdom.

DEVOTIONAL READING

Many people talk about heaven, but not everybody who talks about heaven is going to heaven. The question I want to ask you today is, *Why do you want to go to heaven?*

Is the idea to miss hell? That's not an unworthy motive, but may I say to you that if you go to heaven, you are going to find yourself either getting down on your face or getting up, worshipping the triune God and especially the Lord Jesus Christ. If you find worship boring down here and you are not interested in worshipping the Lord Jesus and expressing your heart's desire to Him, why in the world do you want to go to heaven? We are going to spend a lot of time up there worshipping Him.

Fellowship with Christ Jesus is the reason we should want to go to heaven.

He's also the only way we are to make it down here. My friend, have you figured out just how much you need the Lord today? When Satan's pressures bear down on you, you have the living, victorious Christ available to you. I don't know what I would do without Him. Oh, that you and I might come to know Him better and that He might occupy a greater place in our lives day by day!

I am convinced in my own experience that the Lord Jesus Christ *in person* is the answer to my life's greatest problems today. When I see plaques with the motto “Jesus is the Answer,” I always say it depends on what the question is. But certainly He is the answer to problems for which we are trying to work out our solutions by some humanized method. People will try to convince you to follow their little legal system guaranteed to solve the problems of your personal life, your home, your work, and your church, whatever. I doubt there ever was a day in which there was so much “self-help” teaching in all of these areas, yet there is less victorious living in believers' daily experience.

What is the real problem today? We don't need a method; we need Christ. We need to know Him in a meaningful way. Better and better as the days go by. We need to draw closer to Him.

FOOD FOR THOUGHT:

"If we doubt God's Word about one thing, we shall have small confidence in it upon another thing. Sincere faith in God must treat all God's Word alike; for the faith which accepts one word of God and rejects another is evidently not faith in God but faith in our own judgment, faith in our own taste." --Charles Spurgeon

“You cannot break God's promises by leaning upon them!”
