OUR BELIEFS

1. We believe the 66-book Bible is verbally inspired and inerrant in the original writings. We believe that the Bible must be interpreted literally, according to context, history, and grammar. We believe the dispensational approach to the Bible.
2. We believe there is one only living and true God, eternally existing in three persons – Father, Son, and Holy Spirit.
3. We believe that man was created in the image of God, but he sinned, and thereby all human beings are born with a sin nature which is at enmity with God. Man therefore needs to be reconciled to God, released from slavery to sin, and delivered from God's wrath against sin and the guilt of sin.
4. We believe in Christ's virgin birth, physical bodily resurrection, ascension, and present intercession for us.
5. We believe that Jesus Christ died in our place at Calvary and that His sacrifice is the only ground for forgiveness of sin.
6. We believe that salvation is by grace through faith in Jesus Christ, and that all who so believe are eternally saved, transformed, and being sanctified.
7. We believe in the imminent, pretribulational rapture of the church. We believe in the personal, premillennial return of the Lord Jesus to the earth to set up His Kingdom.

DEVOTIONAL READING – Neglected Warnings by Dr. Paul Chappell

Then shall they call upon me, but I will not answer; they shall seek me early, but they shall not find me: For that they hated knowledge, and did not choose the fear of the LORD: They would none of my counsel: they despised all my reproof. Therefore shall they eat of the fruit of their own way, and be filled with their own devices. - Proverbs 1:28-31

Alice Stewart was a British doctor and medical researcher. Both of her parents were pediatricians, and she followed them into the medical field and spent a great deal of her career on issues relating to children's diseases. Given a grant to study causes of childhood cancer in the 1950s, Stewart discovered that there was a direct link between the then-common practice of conducting x-ray examinations on pregnant mothers and their children developing cancer. Despite the thoroughness of her work, most doctors discounted her study and refused to change their approach. It was almost twenty-five years later before the medical community accepted Stewart's research. Thousands of children got cancer because the warning was not heeded.

Few of the problems we face as a result of disobedience to God come about because we were not aware of what was right and what was wrong. When there are decisions that must be made, we find that the Word of God contains commandments and principles to help guide us. God's directives are not given to harm us or keep us from enjoying good things. Instead, they are warnings that protect us from danger. If we reject God's instructions, we should not be surprised when the results are not what we expect. As the old saying goes, “We are not responsible for failures from advice not followed.” We have a choice when we approach the issues of life. We can go our own way ignoring what God has said, but we have been warned of the consequences that will surely follow. “There is a way which seemeth right unto a man, but the end thereof are the ways of death” (Proverbs 14:12). God's ways and wisdom are always superior to our own, and we benefit by seeking and following them.

FOOD FOR THOUGHT.

I learned more about Christianity from my mother than from all the theologians in England. – John Wesley

The woman who makes a sweet, beautiful home, filling it with love and prayer and purity, is doing something better than anything else her hands could find to do beneath the skies. A true mother is one of the holiest secrets of home happiness. God sends many beautiful things to this world, many noble gifts; but no blessing is richer than that which He bestows in a mother who has learned love's lessons well, and has realized something of the meaning of her sacred calling. – J.R. Miller

“I remember my mother's prayers and they have always followed me. They have clung to me all my life.” – Abraham Lincoln
