OUR BELIEFS

1. We believe the 66-book Bible is verbally inspired and inerrant in the original writings. We believe that the Bible must be interpreted literally, according to context, history, and grammar. We believe the dispensational approach to the Bible.
2. We believe there is one only living and true God, eternally existing in three persons – Father, Son, and Holy Spirit.
3. We believe that man was created in the image of God, but he sinned, and thereby all human beings are born with a sin nature which is at enmity with God. Man therefore needs to be reconciled to God, released from slavery to sin, and delivered from God's wrath against sin and the guilt of sin.
4. We believe in Christ's virgin birth, physical bodily resurrection, ascension, and present intercession for us.
5. We believe that Jesus Christ died in our place at Calvary and that His sacrifice is the only ground for forgiveness of sin.
6. We believe that salvation is by grace through faith in Jesus Christ, and that all who so believe are eternally saved, transformed, and being sanctified.
7. We believe in the imminent, pretribulational rapture of the church. We believe in the personal, premillennial return of the Lord Jesus to the earth to set up His Kingdom.

DEVOTIONAL READING

The Believer Will Never Thirst, Never Die, Never Be Lost! John 4:9-15

“He would have given thee living water....the water that I shall give him shall be in him a well of water springing up into everlasting life....he that believeth on Me, out of his belly (innermost being) shall flow rivers of living water....he that believeth on Me shall never thirst” (John 4:10, 14; 7:38; 6:35). Water in these verses is used symbolically of life.

Water is essential for physical life. If we were to stop drinking, we would die. At least 60% of the adult body is made of water and every cell in the body needs it to keep functioning. Experts say a person can only live three or four days without water. Life depends upon water. The Lord Jesus told the Samaritan woman that when she drank from her well, it would not be long before she would need to drink again (John 4:13). She would thirst again.

The body uses water, disposes of water, and daily needs a new supply of water. But the living water that Jesus provides is different. When a person believes on Jesus Christ, he receives an eternal supply of water, a well of water that will never run dry. He will never again thirst (John 4:14); he will never die (John 8:51; 11:26); he will never be without the gift of God which is eternal life (John 4:10, 14); he will never be without the Spirit of God, the very One who causes living water to flow out of his innermost being (John 7:38-39). What a strong rebuke these verses give to every person who denies the eternal security of the believer! In order to lose salvation, the well would have to run dry; the Spirit would need to leave him; the person would need to thirst and drink all over again—all things which these verses say can never happen!

FOOD FOR THOUGHT.

Faith is the hand of the heart that reaches out and receives God's gift.

It is not your faith which saves, but the One in whom your faith is placed.
