OUR BELIEFS

1. We believe the 66-book Bible is verbally inspired and inerrant in the original writings. We believe that the Bible must be interpreted literally, according to context, history, and grammar. We believe the dispensational approach to the Bible.
2. We believe there is one living and true God, eternally existing in three persons – Father, Son, and Holy Spirit.
3. We believe that man was created in the image of God, but he sinned, and thereby all human beings are born with a sin nature which is at enmity with God. Man therefore needs to be reconciled to God, released from slavery to sin, and delivered from God's wrath against sin and the guilt of sin.
4. We believe in Christ's virgin birth, physical bodily resurrection, ascension, and present intercession for us.
5. We believe that Jesus Christ died in our place at Calvary and that His sacrifice is the only ground for forgiveness of sin.
6. We believe that salvation is by grace through faith in Jesus Christ, and that all who so believe are eternally saved, transformed, and being sanctified.
7. We believe in the imminent, pretribulational rapture of the church. We believe in the personal, premillennial return of the Lord Jesus to the earth to set up His Kingdom.

DEVOTIONAL READING

From “**God’s Got This: The Nation of Israel, the Life of Esther, God’s Sovereignty, and You**” by Paul Chappell. <https://paulchappell.com/2023/10/09/gods-got-this-the-nation-of-israel-the-life-of-esther-gods-sovereignty-and-you/>

Do you ever feel forgotten by God? Do you wonder if He still knows your address? If He has a plan for your life? If He is able to help with your needs?

Do you ever feel discouraged while looking at the state of our nation? Do you wonder where the speedily declining moral degradation will end?

In short, do you wonder if God is in control? If He is willing and able to meet your needs?

The doctrine of God’s sovereignty is good news for weary, fearful, or discouraged Christians. It assures that our lives and the world itself is not slipping away from a loving but helpless God. It reminds us that He is in control, and He is committed to making all things work together for our good and His glory.

God’s sovereignty—His position as Ruler of all—is stated emphatically throughout Scripture. But it is demonstrated vividly in the story of Esther. Remarkably, the book of Esther doesn’t even mention God’s name, but His hand is so clearly seen in this intricate unfolding of events that it has encouraged untold Christians to trust in the Lord and His good and kind sovereignty...

When your life seems to be careening out of control, when challenges mount around you, when the choices of others negatively affect you, remember God’s sovereignty. Remember that human power is always limited, God’s timing is impeccable, and you get to be part of God’s sovereign plan.

Stabilize your soul in remembering God’s sovereignty, and then, trusting in Him and depending on His strength, choose to engage in making a difference for Christ right where you are.
