OUR BELIEFS

1. We believe the 66-book Bible is verbally inspired and inerrant in the original writings. We believe that the Bible must be interpreted literally, according to context, history, and grammar. We believe the dispensational approach to the Bible.
2. We believe there is one only living and true God, eternally existing in three persons – Father, Son, and Holy Spirit.
3. We believe that man was created in the image of God, but he sinned, and thereby all human beings are born with a sin nature which is at enmity with God. Man therefore needs to be reconciled to God, released from slavery to sin, and delivered from God's wrath against sin and the guilt of sin.
4. We believe in Christ's virgin birth, physical bodily resurrection, ascension, and present intercession for us.
5. We believe that Jesus Christ died in our place at Calvary and that His sacrifice is the only ground for forgiveness of sin.
6. We believe that salvation is by grace through faith in Jesus Christ, and that all who so believe are eternally saved, transformed, and being sanctified.
7. We believe in the imminent, pretribulational rapture of the church. We believe in the personal, premillennial return of the Lord Jesus to the earth to set up His Kingdom.

DEVOTIONAL READING – THE HOLY SPIRIT’S DIVINE DEEDS

The Spirit of God has made me, and the breath of the Almighty has given me life. - Job 33:4

Certain things are done by the Spirit that we are told in the Scriptures can only be done by God. First of all, creation. In Genesis 1:2 we read, “The Spirit of God moved upon the face of the waters.” There it is at the very beginning. Job says it also: “The Spirit of God hath made me, and the breath of the Almighty hath given me life.” This is the creative work of the Holy Spirit, again a proof of His deity. And we must remember also that His is the special operation that we describe as regeneration. John 3:7 establishes that once and forever: “Ye must be born again.” “Except a man be born of water and of the Spirit...” (John 3:5). This is the action of the Spirit; He gives the rebirth. Original creation and the new creation are both the special work of the Spirit. “It is the spirit that quickens,” says our Lord again (John 6:63).

The work of inspiration is also the work of the Spirit. “No prophecy of the scripture is of any private interpretation,” says Peter; “...holy men of God spoke as they were moved”—carried along, driven; it does not matter which translation you use—“by the Holy Ghost” (2 Peter 1:20-21). All the Scriptures were written in that way: The Holy Spirit inspired and controlled the writers in an infallible manner. So we have our doctrine of the infallibility of the Scriptures, and it is proof positive to us that He is God. It is God alone who can give the truth and inspire men in their record of the truth.

The work of resurrection is also attributed to Him. Very often people are surprised by this. But it is to be found quite clearly in Romans 8:11: “But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken

your mortal bodies by his Spirit that dwells in you.” So we arrive at this—that the Holy Spirit is a person and a divine person.
